**Internship – Finance**

**DISCOVER YOUR FUTURE IN SHAPING HEALTHCARE DELIVERY**

Would you like to be on the front lines of improving patients’ lives and shaping healthcare delivery? At AmerisourceBergen®, our mission is to deliver innovative products and services that drive quality and efficiency in pharmaceutical care. We are currently looking for young talents to join our intern team with individuals who share our mission and want to be part of the pharmaceutical services industry.

AmerisourceBergen is one of the world's largest pharmaceutical services companies, currently ranking 11th on the Fortune 500 and with over $147 billion dollars in annual revenue. Our internship program offers a wide variety of experiences ranging from hands on experience within your business department, team projects, senior management meet and greets, and career counseling sessions to prepare you for your future.

AmerisourceBergen’s Switzerland office is a Global Manufacturer Services platform that provides commercialization strategies, data innovation, and relationship management to ensure the mutual success of Manufacturer Partners and AmerisourceBergen.

**Position Summary**

Under general direction by and working closely with the Sr. Accountant, the Finance Intern will assist with a variety of projects and initiatives in the area of financial planning and analysis, accounting and taxation. Apart from applying and broadening knowledge acquired during his/her studies via first-hand, practical and relevant work in mentioned areas, the Finance Intern will also be able to gain valuable insight into the pharmaceutical industry in general and ABC Switzerland’s business in particular as well as experience working in a truly international environment and respective corporate culture.

**Rotations and Areas of Focus:**
- Gain an overview of and actively support the accounting function in areas such as accounts payable, customer billings and revenues as well as indirect tax compliance
- Contribute to the monthly financial close, reporting and forecasting process, including analysis of results and liquidity planning
- Draft annual statutory financial statements for Swiss group companies
- Assist in the annual external financial audit
- Perform related duties as assigned.

**Qualifications**

**Experience and Education Requirements**
- Candidate should have completed at least 4 semesters of a bachelor or master program in the field of finance, accounting and/or controlling.
- Previous practical training or internships as well as proficiency in Microsoft Excel are advantageous.

**Skills, Knowledge, and Ability Requirements**
- Ability to communicate effectively in German (or French) and English, both verbally and in writing.
- Additional language skills are welcome.
- Ability to work autonomously and prioritize tasks effectively.
- Good analytical, conceptual and problem-solving skills to evaluate business problems and apply knowledge to identify appropriate solutions.
- Solid teamwork and interpersonal skills.

**Duration:** 3 – 5 months (From July 2018)

For applications: hrswitzerland@amerisourcebergen.com

We realize that cultivating talent is a cornerstone of our company’s success and we want you to be part of our success!
