If you are interested in joining a purpose driven community that is dedicated to shaping the future of global commerce and creating an ambitious and inclusive workplace, join eBay – a company you can be proud to be a part of. Across the globe, eBay boasts a community of over 220 million registered buyers and sellers. At any given time, more than 105 million items are listed for sale on eBay sites across the world. We have a global presence in 36 international markets.

**We are seeking Finance Interns**

to add to our Central Finance teams supporting all EMEA markets and based out of Bern

As an Intern in **Core Finance / FP&A**, you will:

- Monitor business performance, understand and challenge reported metrics
- Deliver financial analysis and insightful weekly performance updates highlighting and quantifying key issues and risks being faced by our business
- Support business partners during forecasting and reporting cycles
- Be closely involved with core finance operating processes

As an Intern in **Business Analytics**, you will:

- Analyze the effectiveness of marketing campaigns and incentives, as well as provide optimization recommendations
- Help design campaigns to target buyers through the right messaging and incentives
- Analyze the data seller provided, and how that can help buyer to make buying decision
- Analyze opportunities for improvement in user experience

As an Intern in **Accounting**, you will:

- Support the financial and administrative activities of our accounting department, allowing it to run smoothly, ensuring transparency and efficiency in all transactions
- Assist in the preparation and coordination of external audit requests
- Create / maintain presentations, spreadsheets, internal databases
- Participate in and support the monthly close process and the preparation of financial statements

As an Intern in **Treasury**, you will:

- Conduct analysis of eBay’s cash flow, and assist the team to build a solid cash flow forecast
- Gain a solid understanding of how large enterprises collaborate with international banks and financial institutions
- Become familiar with the cash management process within a complex corporate environment
- Be involved in projects that will make a meaningful impact to eBay’s bottom line

**Requirements & timing:**

- Currently enrolled as a Master student or recent Masters graduate in a relevant field
- High internet affinity and enthusiasm for e-commerce
- Acute business acumen
- Ability to work independently and collaboratively with multiple teams located in different regions
- Very good command of spoken and written English
- Excellent Microsoft Excel & presentation skills
- Knowledge of SAP/BW systems and Database querying skills (e.g. SQL) considered a plus
- Starting date in March/April
