Career Start – Accounting, Controlling & Audit –
Financial Analyst

Credit Suisse is a leading global wealth manager with strong investment banking and asset management capabilities. Founded in 1856, Credit Suisse has expanded to be a global force employing over 45,000 people in 50 countries. It is a high priority for us to continually invest in our employees by providing ongoing opportunities for training, networking and mobility. Join us and let’s shape the future of Credit Suisse together.

Length: 18 months including 4-6 month rotation
Start date: 1 July 2018 or by arrangement
Workplace: Europaallee Zurich
Academic qualification: Recently completed bachelor’s or master’s degree at a university or university of applied sciences or equivalent. Ideally in Finance, Economics or Business Administration

Your Benefits:
Training: Interdisciplinary and specific trainings as part of the Career Start program as an opportunity for personal and professional development
Rotation: Opportunity to spend 4-6 months working in a functionally related area as a chance to build networks in different areas of the bank
Opportunities for further development: Permanent employment with the prospect of a challenging position within Credit Suisse after completing the Career Start program

We offer:
• You a challenging and diverse role within the CFO area of the Swiss Universal Bank
• You are actively involved in a dynamic team, which supports the divisional CFO with in-depth analyses as well as detailed information and recommendations for senior management
• You have the opportunity to gain first hand insight into internal and external management reporting and forecasting of a leading company in the financial industry
• You perform a variety of tasks in the area of external reporting, having a close collaboration with various stakeholders across the Swiss Universal Bank division and Credit Suisse Group with visibility and exposure to senior management
• You have opportunities to coordinate and contribute to a broad range of business and cross-divisional projects and tasks

You offer:
• You are a structured and reliable person with a high level of focus on service
• The quality of your work meets high standards
• You have very good analytical and conceptual skills, a flair for numbers and the ability to deal with complex issues
• You are motivated to know more about the financial sector
• You are a dedicated team player and have the ability to work under pressure with a sense for details
• You bring very good knowledge of MS office tools (i.e. Excel and PowerPoint)
• You speak fluent English; German skills would be an advantage
