eBay is a global commerce leader that allows you to shape how the world buys, sells, and gives. You’ll be part of a work culture that’s been genuinely committed to diversity and inclusion since its founding more than 25 years ago. Here, you can just be yourself, do your best work, and have a substantial impact on people across the globe. We are looking for people with drive, ideas, and a passion for supporting small businesses succeed to help shape the future of eBay—does this sound like you? If so, we’d love to talk to you.

We are offering six-month internships, starting in April 2021
In our departments based out of Bern and partnering with teams across many locations around the globe

1) As an Intern in FP&A you will:
• Be part of the Finance team responsible for the France-Italy-Spain region
• Be involved in core FP&A (Financial Planning & Analysis) activities: weekly and monthly forecasting, reporting, finance operations, business performance analysis, etc.
• Partner with regional operational and leadership teams across many locations (Milan, Madrid, Paris) to understand operating plans and key drivers that will influence business performance

2) As an Intern in Analytics, you will:
• Report and analyze trends in global metrics to give actionable recommendation to the business
• Help the Data Science part of the team to maintain the business performance prediction model, develop weekly reporting tools and processes to share predictions and insights
• Partner with global teams to implement their buyer and seller related strategies, evaluate results, and identify and estimate strategic opportunities
• Generate insight into end-to-end customer experience and influence decisions to improve it

3) As an Intern in Indirect Tax, you will:
• Assist in indirect tax aspects of new country expansion, support business units across the EMEA regions, etc.
• Support with routine VAT compliance and SAP processes dealing with indirect taxes, tax codes, and reporting
• Assist with various projects such as Digital Service Tax, Payments, Outsourcing, new e-commerce EU VAT rules
• Assist with developing training material to be deployed to key functions within the business

4) As an Intern in Controlling, you will:
• Be part of the European Controlling organization (revenue controlling team and operation controlling team)
• Assist with daily controlling activities (revenue, expenses) and monthly close processes
• Support the team in the various and broad projects as improving the reporting tools (SAP, Excel), formalizing process documentation or preparing supporting documentation to comply with new international requirements

Requirements:
• Available for a 6-month full-time internship in Bern (40 hours per week), starting in April
  → We are working remotely at the moment and will continue working from home until, at least, June 1
• Be eligible to work in Switzerland (non-EU/EFTA citizens: please provide a copy of your work permit)
• Master student or graduate in a relevant field
• Very good command of spoken and written English
• Ability to work independently and collaboratively with multiple teams located in different regions
• Excellent Microsoft Excel skills
• Excellent communication and presentation skills
• Database querying skills and knowledge of SAP systems considered a plus
• In addition, some positions require specific skills:
  o Position 2) Analytics: Excel and SQL Programming, Moderate knowledge of Time-series analysis
  o Position 4) Controlling: Moderate knowledge of accounting

Interested? Please send your application (in English) to interns_ch@eBay.com and do not forget to mention which position(s) you are interested in!
